PUBLIC WORKS

Recycled Water Fill Station

- Vehicle Weight Limits: The residential Recycled Water Fill Station continues to be popular with residents. To date, over 10,000,000 gallons of free recycled water has been distributed to residents. As a reminder, residents are encouraged to be mindful of how much water weighs (275 gallons of water weighs about 2,300 pounds) and how much weight their vehicles are designed to carry or haul. Attached, please find a Vehicle Payload Capacities chart that lists the approximate payload capacities for some of the more popular vehicle models. To ensure the safety of everyone on the roads, please do not haul more water than your vehicle can safely carry.
- Closed Saturday, 9/19 and 9/26: The Fill Station, located at the City’s Wastewater Treatment Plant, 2251 Elkins Way, will be **closed Saturday, 9/19 and 9/26** to help accommodate the additional vehicle traffic generated by the City’s Neighborhood Cleanup Events scheduled for these dates (see following article). The Fill Station will be open all other days these weeks during their regular operation hours: Monday – Friday, from 8:00 a.m. to 7:00 p.m. and Sunday, from 7:00 a.m. to 3:30 p.m.

For more information and guidelines, visit the City’s website at: www.brentwoodca.gov/savewater and click [Recycled Water Fill Station](#), or call Public Works/Operations at (925) 516-6000.

Neighborhood Cleanup Events – Online Registration

Brentwood residents with an active garbage collection account are invited to participate in the City’s Neighborhood Cleanup Events. Residents can bring up to two yards of unwanted household items including yard waste, appliances, mattresses, e-waste (such as TVs and computers), furniture and garbage, all free-of-charge, to the City’s Solid Waste Transfer Station. The remaining fall events will be held on Saturday, 9/19 and 9/26.

The City has transitioned from mailed invitations to an online registration process to provide more flexible scheduling of dates and times for residents. In order to participate in the Cleanup Events, residents must register online. An insert with additional information was included with your August utility bill; to view this information and/or to register, visit the City’s website at <http://www.brentwoodca.gov/cleanup>.

Also, new this year to the City’s diversion and recycling efforts is a reuse or donation area staffed by DR3, an industry leader in donation reuse and mattress recycling. When loading your vehicle, please separate the following items to be donated: furniture, books, clothing, kitchenware, tools and toys. A more detailed list of acceptable items is available online at <http://www.brentwoodca.gov/cleanup>.
