SCHOOLS ONLY

## **Tennis Court Improvement**

The tennis court at Balfour-Guthrie Park recently received some improvements. Cracks were filled and the entire court resurfaced, re-lined and sealed.

## **Utility Box Public Art Project and Reception**

Artwork on two more utility boxes has been completed. “Life & Happy Memories,” by artist Jocelyn Freund, is located at the corner of Sand Creek Road and Fairview Avenue. She also completed “Children and Colored Pencils/Crayons”, located at the corner of Sand Creek Road and Garin Parkway. Final touches are being made to the remaining three utility boxes to complete this project.

A reception celebrating the completion of this project will be held on Wednesday, November 18 from 6:30 p.m. to 7:00 p.m. in the lobby of City Hall, 150 City Park Way. Light refreshments will be served.

# CITY MANAGER WEEKLY UPDATE

For Week Ending November 13, 2015

Gustavo “Gus” Vina, City Manager

## PUBLIC WORKS

### Water Conservation – Winter Season

Brentwood residential water customers continue to respond to California’s drought and the City’s request to reduce water use. The City’s overall residential water use from June – October 2015 is down 43% compared to June – October 2013. Although the drought continues, your conservation efforts have allowed the City Council to make the following changes (shown in the comparison charts below – changes shown in bold) to the Water Conservation Program, effective November 1, 2015.

- Extend the summer season and citywide average volume for the upcoming winter season

	Season	Current	Revised
Residential	Summer	May – October 11 units/month	<b>April – November</b> 11 units/month
	Winter	November – April 5 units/month	<b>December – March</b> <b>8 units/month</b>
Commercial	Summer	May – October 32 units/month	<b>April – November</b> 32 units/month
	Winter	November – April 24 units/month	<b>December – March</b> 24 units/month

1 unit = 1,000 gallons of water

- Decrease in monthly penalties and rebates

	Water Reduction	Current	Revised
Rebates	More than 50%	\$50	<b>\$20</b>
	50% - 41%	\$25	<b>\$10</b>
	40% - 36%	\$10	\$10
Penalties	34% - 21%	\$100	\$100
	20% - 0%	\$200	<b>\$100</b>
	Increased Water Use	\$300	<b>\$200</b>

Remember, there are two ways to meet the City’s potable water use reduction requirements:

- 1) Reduce your monthly water use by 35% as compared to 2013; or
- 2) Maintain your monthly water usage at or below the citywide reduced average.

## CITY MANAGER WEEKLY UPDATE

*For Week Ending November 13, 2015*

Gustavo “Gus” Vina, City Manager

### **Leaf Bags**

In an effort to reduce impacts to storm inlets and local landfills, the City will be providing free leaf bags during the fall months. These special clear bags should only be filled with leaves, and placed curbside on your regular green-waste pickup day. Leaf bags can be picked up at the Payment Center inside City Hall (150 City Park Way) or at the Recycled Water Fill Station (2251 Elkins Way) during its operating hours (shown below). For more information, please call Public Works/Operations at (925) 516-6000.

### **Recycled Water Fill Station – Winter Hours**

As of November 1, 2015, the operating hours for the City's Recycled Water Fill Station, located at 2251 Elkins Way, have changed for the winter months as shown below:

Monday, Wednesday, Friday: 8:00 a.m. – 5:30 p.m.

Saturday, Sunday: 7:00 a.m. – 3:30 p.m.

Closed: Tuesday, Thursday, day of and day after measurable rainfall, and all City-observed holidays

### **Sand Bags**

Brentwood residents may pick up sand bags to fill from the Public Works Corporation Yard, outside the Cardboard Drop-off gate located at 2300 Elkins Way. During storm events, City staff will be on location to distribute the empty sand bags, limit 10 bags per household, from 8:00 a.m. to 3:30 p.m. Proof of residency must be provided. During after hours, the sand, sand bags and shovels will be supplied at the same location, while supplies last. Residents may report flooding to the Public Works Department, or after hours to Police Dispatch at (925) 778-2441. For more information, call Public Works/Operations (925) 516-6000.
