To the Oversight Board of the Successor Agency of
the Brentwood Redevelopment Agency
Brentwood, CA

We have applied the procedures below, which were agreed to by the Successor Agency of the Brentwood Redevelopment Agency, solely to assist you with respect to the procedures required under California Health and Safety Code Sections 34179.5(c)(1) through 34179.5(c)(3) and Sections 34179.5(c)(5) through 34179.5(c)(6) for the Low and Moderate Income Housing Fund of the Successor Agency of the Brentwood Redevelopment Agency for the year ended June 30, 2012, also referred to as the Due Diligence Review by the Code. These procedures were suggested by the Governmental Auditing and Accounting Committee, as agreed to by the California State Department of Finance and State Controller's Office. Management of the Successor Agency is responsible for the accounting records, the Attachments and information provided pertaining to the statutory compliance pursuant to Health and Safety Code Section 34179.5. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the specified users of this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures you requested us to perform and our findings were as follows:

Citation:

34179.5(c)(1) The dollar value of assets transferred from the former redevelopment agency to the successor agency on or about February 1, 2012.

Suggested Procedure(s):

1. Obtain from the Successor Agency a listing of all assets that were transferred from the former redevelopment agency to the Successor Agency on February 1, 2012. Agree the amounts on this listing to account balances established in the accounting records of the Successor Agency. Identify in the Agreed-Upon Procedures (AUP) report the amount of the assets transferred to the Successor Agency as of that date.

Results:

We obtained the following listing from the staff of the City of Brentwood and agreed the amount transferred to the Successor Agency to the accounting records without exception.

	Redevelopment Agency Low and Moderate Income Fund Balances January 31, 2012 (Prior to transfer)	Balances transferred to Housing Successor on February 1, 2012	Balances transferred to the Successor Agency on February 1, 2012

34179.5(c)(2) The dollar value of assets and cash and cash equivalents transferred after January 1, 2011, through June 30, 2012, by the redevelopment agency or the successor agency to the city, county, or city and county that formed the redevelopment agency and the purpose of each transfer. The review shall provide documentation of any enforceable obligation that required the transfer.

Suggested Procedure(s):

2. If the State Controller's Office has completed its review of transfers required under both Sections 34167.5 and 34178.8 and issued its report regarding such review, attach a copy of that report as an exhibit to the AUP report. If this has not yet occurred, perform the following procedures:
 - A. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to the city, county, or city and county that formed the redevelopment agency for the period from January 1, 2011 through January 31, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to the AUP report.

Results:

The State Controller's Office has not yet completed its review of transfers. We obtained the listing of transfers from the Low and Moderate Income Housing Fund of the former Redevelopment Agency to the City, excluding payments for goods and services, from the staff of the City of Brentwood and agreed the amount transferred to the accounting records without exception. We noted that the listing consisted of one transfer on February 15, 2011 in the amount of \$34,515 to pay the Low and Moderate Income Housing Fund's share of the former Redevelopment Agency's Other Post Employment Health Care Benefits (OPEB) Net Obligation as of that date, which appears to be an allowable enforceable obligation under Health and Safety Code Section 34171(d)(1)(A). The City subsequently paid the funds to the CalPERS OPEB Trust on February 16, 2011.

- B. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the Successor Agency to the city, county, or city and county that formed the redevelopment agency for the period from February 1, 2012 through June 30, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to this Agreed Upon Procedures report.

Results:

We obtained the following listing of transfers from the Low and Moderate Income Housing Fund of the Successor Agency to the City, excluding payments for goods and services, from the staff of the City of Brentwood and agreed the amount transferred to the accounting records without exception. All of the transfers below were made on February 1, 2012 to transfer the Housing Assets to the City as Housing Successor:

- C. For each transfer, obtain the legal document that formed the basis for the enforceable obligation that required any transfer. Note in the AUP report the absence of any such legal document or the absence of language in the document that required the transfer.

Results:

We obtained documentation for all transfers included in the table in Procedure 2A above and noted that the transfers appear to be related to enforceable obligations or housing assets as defined by Health and Safety Code Section 34176(e), except for the \$3,989,500 transfer for the Grove Sunset, L.P., Meta Housing Project. Although the Agency Board authorized expending funds on the project on April 26, 2011, the former Redevelopment Agency did not enter into a loan agreement with Grove Sunset, L.P., in the amount of \$3,950,000 until January 31, 2012. The City of Brentwood funded the loan on June 15, 2012 with non-housing funds, and the City entered into an assignment and contingent repayment agreement with the Successor Agency on June 20, 2012 to assume the loan agreement. The loan agreement was amended on June 20, 2012 to replace the Agency with the City. The assignment agreement also indicates that should the loan agreement be deemed an enforceable obligation, the Successor Agency would reimburse the City for the cost of the loan. This loan agreement was executed after June 27, 2011 and was also rejected as an enforceable obligation by the State Department of Finance. City staff has indicated that they believe it is an enforceable obligation and is pursuing the issue with the State through the “meet and confer” process.

34179.5(c)(3) The dollar value of any cash or cash equivalents transferred after January 1, 2011, through June 30, 2012, by the redevelopment agency or the successor agency to any other public agency or private party and the purpose of each transfer. The review shall provide documentation of any enforceable obligation that required the transfer.

Suggested Procedure(s):

3. If the State Controller’s Office has completed its review of transfers required under both Sections 34167.5 and 34178.8 and issued its report regarding such review, attach a copy of that report as an exhibit to this Agreed Upon Procedures report. If this has not yet occurred, perform the following procedures:
 - A. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the former redevelopment agency to any other public agency or to private parties for the period from January 1, 2011 through January 31, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency’s enforceable obligations or other legal requirements. Provide this listing as an attachment to this Agreed Upon Procedures report.

Results:

The State Controller’s Office has not yet completed its review of transfers. We obtained the list of transfers from the Low and Moderate Income Housing Fund of the former Redevelopment Agency to private parties, other than for goods and services, from the staff of the City of Brentwood and agreed the amount transferred to the accounting records without exception. The transfers consisted of two payments to Brentwood Green Valley Associates in the amounts of \$458,886 and \$800,000 to fund a loan related to a loan agreement executed in January 2011.

Per City staff, there were no transfers to other public agencies.

- B. Obtain a listing prepared by the Successor Agency of transfers (excluding payments for goods and services) from the Successor Agency to any other public agency or private parties for the period from February 1, 2012 through June 30, 2012. For each transfer, the Successor Agency should describe the purpose of the transfer and describe in what sense the transfer was required by one of the Agency's enforceable obligations or other legal requirements. Provide this listing as an attachment to this Agreed Upon Procedures report.

Results:

Per inquiry of City staff, the Low and Moderate Income Housing Fund of the Successor Agency did not make any transfers to any other public agency or to private parties, other than for payments of goods and services, for the period from February 1, 2012 through June 30, 2012.

- C. For each transfer, obtain the legal document that formed the basis for the enforceable obligation that required any transfer. Note in the AUP report the absence of any such legal document or the absence of language in the document that required the transfer.

Results:

We obtained documentation for the transfers in 3A above without exception and noted that the transfers appear to be enforceable obligations.

Citation:

34179.5(c)(4) The review shall provide expenditure and revenue accounting information and identify transfers and funding sources for the 2010–11 and 2011–12 fiscal years that reconciles balances, assets, and liabilities of the successor agency on June 30, 2012 to those reported to the Controller for the 2009–10 fiscal year.

Suggested Procedure(s):

4. Perform the following procedures:
 - A. Obtain from the Successor Agency a summary of the financial transactions of the Redevelopment Agency and the Successor Agency in the format set forth in Attachment A for the fiscal periods indicated in the schedule. For purposes of this summary, the financial transactions should be presented using the modified accrual basis of accounting. End of year balances for capital assets (in total) and long-term liabilities (in total) should be presented at the bottom of this summary schedule for information purposes.
 - B. Ascertain that for each period presented, the total of revenues, expenditures, and transfers accounts fully for the changes in equity from the previous fiscal period.
 - C. Compare amounts in the schedule relevant to the fiscal year ended June 30, 2010 to the state controller's report filed for the Redevelopment Agency for that period.
 - D. Compare amounts in the schedule for the other fiscal periods presented to account balances in the accounting records or other supporting schedules. Describe in the report the type of support provided for each fiscal period.

Results:

Not applicable for the Low and Moderate Income Housing Fund. We have been engaged to perform procedures and issue a separate report on the non-housing assets of the Successor Agency and will provide the results of this procedure in that report.

Citation:

34179.5(c)(5) A separate accounting for the balance for the Low and Moderate Income Housing Fund for all other funds and accounts combined shall be made as follows:

(A) A statement of the total value of each fund as of June 30, 2012.

Suggested Procedure(s):

5. Obtain from the Successor Agency a listing of all assets of the Low and Moderate Income Housing Fund as of June 30, 2012 for the report that is due October 1, 2012 and a listing of all assets of all other funds of the Successor Agency as of June 30, 2012 (excluding the previously reported assets of the Low and Moderate Income Housing Fund) for the report that is due December 15, 2012. When this procedure is applied to the Low and Moderate Income Housing Fund, the schedule attached as an exhibit will include only those assets of the Low and Moderate Income Housing Fund that were held by the Successor Agency as of June 30, 2012 and will exclude all assets held by the entity that assumed the housing function previously performed by the former redevelopment agency. Agree the assets so listed to recorded balances reflected in the accounting records of the Successor Agency. The listings should be attached as an exhibit to the appropriate AUP report.

Results:

We obtained the listing of assets of the Low and Moderate Income Housing Fund of the Successor Agency provided by City staff and noted that the assets as of June 30, 2012 are comprised of cash in the amount of \$227,193. We agreed the balance to the accounting records without exception.

Citation:

34179.5(c)(5)(B) An itemized statement listing any amounts that are legally restricted as to purpose and cannot be provided to taxing entities. This could include the proceeds of any bonds, grant funds, or funds provided by other governmental entities that place conditions on their use.

Suggested Procedure(s):

6. Obtain from the Successor Agency a listing of asset balances held on June 30, 2012 that are restricted for the following purposes:
 - A. Unspent bond proceeds:
 - i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures, amounts set aside for debt service payments, etc.)
 - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
 - iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.

Results:

Per inquiry of City staff, there are no such assets related to the Low and Moderate Income Housing Funds as of June 30, 2012.

- B. Grant proceeds and program income that are restricted by third parties:
- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
 - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
 - iii. Obtain from the Successor Agency a copy of the grant agreement that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by the Successor Agency as restricted.

Results:

Per inquiry of City staff, there are no such proceeds or program income related to the Low and Moderate Income Housing Funds as of June 30, 2012.

- C. Other assets considered to be legally restricted:
- i. Obtain the Successor Agency's computation of the restricted balances (e.g., total proceeds less eligible project expenditures).
 - ii. Trace individual components of this computation to related account balances in the accounting records, or to other supporting documentation (specify in the AUP report a description of such documentation).
 - iii. Obtain from the Successor Agency a copy of the legal document that sets forth the restriction pertaining to these balances. Note in the AUP report the absence of language restricting the use of the balances that were identified by Successor the Agency as restricted.

Results:

Per inquiry of City staff, there are no other assets related to the Low and Moderate Income Housing Funds as of June 30, 2012.

- D. Attach the above mentioned Successor Agency prepared schedule(s) as an exhibit to the AUP report. For each restriction identified on these schedules, indicate in the report the period of time for which the restrictions are in effect. If the restrictions are in effect until the related assets are expended for their intended purpose, this should be indicated in the report.

Results:

Not applicable.

Citation:

34179.5(c)(5)(C) An itemized statement of the values of any assets that are not cash or cash equivalents. This may include physical assets, land, records, and equipment. For the purpose of this accounting, physical assets may be valued at purchase cost or at any recently estimated market value. The statement shall list separately housing-related assets.

Suggested Procedure(s):

7. Perform the following procedures:

- A. Obtain from the Successor Agency a listing of assets as of June 30, 2012 that are **not** liquid or otherwise available for distribution (such as capital assets, land held for resale, long-term receivables, etc.) and ascertain if the values are listed at either purchase cost (based on book value reflected in the accounting records of the Successor Agency) or market value as recently estimated by the Successor Agency.
- B. If the assets listed at 7(A) are listed at purchase cost, trace the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and note any differences.
- C. For any differences noted in 7(B), inspect evidence of disposal of the asset and ascertain that the proceeds were deposited into the Successor Agency trust fund. If the differences are due to additions (this generally is not expected to occur), inspect the supporting documentation and note the circumstances.
- D. If the assets listed at 7(A) are listed at recently estimated market value, inspect the evidence (if any) supporting the value and note the methodology used. If no evidence is available to support the value and/or methodology, note the lack of evidence.

Results:

Per inquiry of City staff, there were no non-liquid assets related to the Low and Moderate Income Housing Funds as of June 30, 2012.

Citation:

34179.5(c)(5)(D) An itemized listing of any current balances that are legally or contractually dedicated or restricted for the funding of an enforceable obligation that identifies the nature of the dedication or restriction and the specific enforceable obligation. In addition, the successor agency shall provide a listing of all approved enforceable obligations that includes a projection of annual spending requirements to satisfy each obligation and a projection of annual revenues available to fund those requirements. If a review finds that future revenues together with dedicated or restricted balances are insufficient to fund future obligations and thus retention of current balances is required, it shall identify the amount of current balances necessary for retention. The review shall also detail the projected property tax revenues and other general purpose revenues to be received by the successor agency, together with both the amount and timing of the bond debt service payments of the successor agency, for the period in which the oversight board anticipates the successor agency will have insufficient property tax revenue to pay the specified obligations.

Suggested Procedure(s):

8. Perform the following procedures:

- A. If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012 that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.
- i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.
 - ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.
 - iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.
 - iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.

Results:

Per inquiry of City staff, asset balances related to the Low and Moderate Income Housing Funds of the Successor Agency do not need to be retained to satisfy enforceable obligations for the period January 1, 2012 to June 30, 2012, because those funds were transferred to the Housing Successor as noted in procedures #1 and 2B above.

- B. If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:
- i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six month period from January 1, 2012 through June 30, 2012 and for the six month period July 1, 2012 through December 31, 2012.
 - ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.
 1. Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.
 - iii. For the forecasted annual revenues:
 1. Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose in the report major assumptions associated with the projections.

Results:

Per inquiry of City staff, there are no projected future revenues for the Low and Moderate Income Housing Fund of the Successor Agency. Therefore, the cash balance noted in procedures #1 and 2B above was transferred to the Housing Successor to fund enforceable obligations for the period January 1, 2012 through June 30, 2012, and the cash balances to be retained for the period January 1, 2013 through June 30, 2013 enforceable obligations are noted in procedure #9 below.

- C. If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule.
 - i. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.
 - ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.
 - iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.

Results:

Not applicable, per inquiry of City staff, the former Redevelopment Agency's Low and Moderate Income Housing Fund revenues were not pledged for the repayment of bonds.

- D. If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures.
 - i. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.
 - ii. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.
 - iii. Include the calculation in the AUP report.

Results:

Per inquiry of City staff, there are no projected future revenues for the Low and Moderate Income Housing Fund of the Successor Agency. Therefore, see the calculation in #9 below and Attachment A.

Citation:

34179.5(c)(5)(E) An itemized list and analysis of any amounts of current balances that are needed to satisfy obligations that will be placed on the Recognized Obligation Payment Schedules for the current fiscal year.

Suggested Procedure(s):

9. If the Successor Agency believes that cash balances as of June 30, 2012 need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013, obtain a copy of the final ROPS for the period of July 1, 2012 through December 31, 2012 and a copy of the final ROPS for the period January 1, 2013 through June 30, 2013. For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation and (2) the Successor Agency's explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation. Include this schedule as an attachment to the AUP report.

Results:

We obtained the copy of the final ROPS for the period January 1, 2013 through June 30, 2013 (Attachment A). See column "LMIHF" on Attachment A for the amounts proposed to be retained by the Successor Agency totaling \$144,140 to fund enforceable obligations. Per inquiry of City staff, the Low and Moderate Income Housing Fund has no other revenue sources and as such has no other means by which to pay the enforceable obligations.

34179.5(c)(6) The review shall total the net balances available after deducting the total amounts described in subparagraphs (B) to (E), inclusive, of paragraph (5). The review shall add any amounts that were transferred as identified in paragraphs (2) and (3) of subdivision (c) if an enforceable obligation to make that transfer did not exist. The resulting sum shall be available for allocation to affected taxing entities pursuant to Section 34179.6. It shall be a rebuttable presumption that cash and cash equivalent balances available to the successor agency are available and sufficient to disburse the amount determined in this paragraph to taxing entities. If the review finds that there are insufficient cash balances to transfer or that cash or cash equivalents are specifically obligated to the purposes described in subparagraphs (B), (D), and (E) of paragraph (5) in such amounts that there is insufficient cash to provide the full amount determined pursuant to this paragraph, that amount shall be demonstrated in an additional itemized schedule.

Suggested Procedure(s):

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities (Attachment B). Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012 as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. The attached example summary schedule may be considered for this purpose. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).

Results:

See Attachment B.

Suggested Procedure(s):

11. Obtain a representation letter from Successor Agency management acknowledging their responsibility for the data provided to the practitioner and the data presented in the report or in any attachments to the report. Included in the representations should be an acknowledgment that management is not aware of any transfers (as defined by Section 34179.5) from either the former redevelopment agency or the Successor Agency to other parties for the period from January 1, 2011 through June 30, 2012 that have not been properly identified in the AUP report and its related exhibits. Management's refusal to sign the representation letter should be noted in the AUP report as required by attestation standards.

Results:

Management signed and provided the representation letter dated October 12, 2012 without exception.

We were not engaged to, and did not, conduct an audit, the objective of which would be the expression of an opinion on the information provided for the purposes of the agreed-upon procedures and the Attachment. Accordingly, we do not express such an opinion. Gross calculation of the amount to be remitted to county for disbursement to taxing entities	4,072,553	
Less amount pending resolution of the "meet and confer" process	<hr/>	(3,989,500) (A)
Net amount to be remitted to county, pending resolution of the "meet and confer" process	<hr/> <hr/>	\$83,053 (B)

(A) See exception in Procedure 2C. The \$3,989,500 was transferred to the Housing Successor to fund a loan for the Grove Sunset, LP, Meta Housing Project that has been denied by the Department of Finance. The City has challenged the ruling, contending that it is an enforceable obligation, and is requesting a "meet and confer" with the Department of Finance for a final ruling.

(B) The amount to be remitted to the county for disbursement to taxing entities is contingent upon the result of the final ruling in regard to the exception discussed in (A) above and in Procedure 2C, therefore the calculation is being reported net of that adjustment until the ruling is final.
