PROFESSIONAL AND/OR COMMUNITY ACTIVITIES (please attach additional pages as necessary):
(Applicants are encouraged, but not required, to submit resume or similar information with this application.)

I am an attorney and have practiced for 20 years. I am the General Counsel for Basic American Foods, a food manufacturer headquartered in Walnut Creek. I have lived in Brentwood for 3 years and, prior to moving here, lived in Oakdale, California for 7 years. I have 5 children ranging in age from 13 to 25. My daughter is an eighth grader at Adams Middle School and my son just graduated from Heritage High School. I am a Board member for Summer Search, a charitable organization focused on helping underprivileged high school students in the Bay Area achieve success in high school, college and beyond. I also volunteer regularly for the Northern California Innocence Project.

Please explain why you would like to serve on the Redistricting Commission (attach additional pages as necessary):

In my opinion, in every election, everyone should have the opportunity to have their voice heard and every vote should count. I want to make sure that redistricting is done fairly and does not disadvantage any one group or advantage any particular candidate. I have no agenda but am passionate about justice, fairness and equality. I want to make sure that redistricting is done in this community in a fair and equitable manner, without special interests having unfair influence over the process.

SECTION 4: BACKGROUND

PROFESSIONAL AND/OR COMMUNITY ACTIVITIES (please attach additional pages as necessary):

(Applicants are encouraged, but not required, to submit resumes or similar information with this application.)

I served on the City of Brentwood Parks and Recreation Commission from 2003 to 2019 with a one year break. Since 1994 (2003 - 2021 in Brentwood,) I have been employed by H and R Block as a Tax Preparer in their office on the corner of Balfour and Walnut. Also, I was a bookkeeper for Spitz Jewelers in Walnut Creek from 1997 to 2005. Prior to that, I was self employed for 25 years and owned a wallpaper installation company. I have a Bachelors Degree from the University of Oregon in Business Administration.

Please explain why you would like to serve on the Redistricting Commission (attach additional pages as necessary):

I had the privilege of serving on the Brentwood Parks and Recreation Commission for 15 years in my community. When my term limited out in 2019, I felt a real loss and disconnect by not serving my community in some way. I do volunteer as a docent now at Big Break Regional Park in Oakley but that is not the same as serving Brentwood. I have extensive knowledge of the geography of Brentwood, population distribution, and of course, park locations. If the City Council thinks I could be an asset to this Redistricting Commission, I would be happy to lend my expertise and help in any way I can.

 Email: redistricting@brentwoodca.gov
DUE BY: 5:00 P.M. ON MONDAY, AUGUST 2, 2021

Please explain what you would bring to the Redistricting Commission (attach additional pages as necessary):

I believe I have a unique set of experiences that could be helpful to the Redistricting Commission. I have studied all pockets of the Brentwood population to examine what areas might be under served with regard to parks. I have participated in the rewriting of two Parks and Recreation Master Plans and in that capacity, I have had to project population trends and needs of the future. This is not unlike what I would expect my job could entail should I be appointed to this Commission. I do have a financial background which might prove helpful in that I have experience in projecting future expectations and planning for potential shifts in demographics. I hope you agree and think I could be an asset on the Redistricting Commission.

SECTION 4: BACKGROUND

PROFESSIONAL AND/OR COMMUNITY ACTIVITIES (please attach additional pages as necessary):

(Applicants are encouraged, but not required, to submit resumes or similar information with this application.)

As an active member of The Church of Jesus Christ of Latter-day Saints, I have been extremely involved in serving the Brentwood and East Contra Costa County communities. I have served as youth (ages 12-18) mentor and leader the past 8 years. In doing so, I have taken part in community service events, senior and youth activities, as well as helping to teach and guide teens to become leaders in our community. In 2017 and 2018, I served as a Emergency Preparedness co-chairman alongside my husband for The Church of Jesus Christ of Latter-day Saints. During my time in this position I was on the East County Disaster Steering Committee. In both August 2017 and 2018 my husband and I held the East Contra County Emergency Preparedness Fairs that were free events for our community to inform and make available the tools and resources to be prepared for a wide range of emergencies whether they be medical, natural disaster, shelter-in-place, civil unrest, among many others. We were able to gather organizations from across the county to teach and guide community members to being prepared for just about any emergency that may come their way.

Please explain why you would like to serve on the Redistricting Commission (attach additional pages as necessary):

I believe my attachment to and love of Brentwood gives me a vested interest in making sure district lines are fair and not politically motivated. I moved to Brentwood at the age of 6 and aside from several years away from Brentwood during my early years of marriage, have lived in Brentwood nearly my entire life. My four children have grown up in Brentwood for the majority of their lives and would love to continue living in Brentwood as they enter their adult lives as well.

I feel like this would be such a great opportunity to serve my community in a helpful way.

Please explain what you would bring to the Redistricting Commission (attach additional pages as necessary):

I aim to be fair and thorough in all that I do. I have a keen eye that tends to see many potential issues that may arise as I work on projects and aim to stand strong for what is right. I am very detail-oriented and don't shy away from speaking up. My creative nature gives me the ability to think of out of the box when looking for solutions. I hope to have the opportunity to serve the amazing Brentwood community in this capacity.
